

### English

Power of Reading units

- Gregory Cool
- The Lost Happy Endings
- One Plastic Bag

Topic Fridays allow for creative writing opportunities.

### Maths - Measures

- Time
- Mass and Capacity
- Shape
- Statistics
- Recapping strategies for the 4 operations in fluency sessions

### PE

- Swimming on Fridays
- Striking and fielding games
- Athletics

### Geography

- Locate and name the continents on a world map and describe the key geographical features
- Identify key capital cities - find out and describe the key geographical features.
- Make comparisons with the UK and Trinidad and Tobago - links with Gregory Cool
- Use fieldwork to observe and record the human and physical features in the local area using a range of methods, including sketch maps, plans and graphs, and digital technologies.
- Looking at the food we eat and where it comes from - what is produced in the UK vs what can we buy in the shops?
- Climate zones and food production - fair trade and farming
- Climate change and pollution - the affects locally and on beaches

**As our previous two topics were more heavily focused on history, Geography will take centre stage this term.**

### RE

- What is the Bible and why is it important to Christians?
- Islamic Rites of Passage

### Art & DT

- Sonia Delaunay- thinking about bold colours and different brushstrokes.
- Making their own vegetable or fruit cushion, applying their sewing skills.
