

A book about moving to Year 2 Parks Class

Your new teacher will be Mr Nicholson.

**I am very excited and looking forward to
teaching you!**

In the mornings, your adults will drop you off at the door to our classroom.

When you come in, you will put your coat and other items on your own named peg.

Our lunch break is from 12:00 – 12:50pm.

During lunch, you will enjoy going out to play in the playground.

Every day, you will need to bring: a water bottle, a bag, a reading record and a smile!

At the end of the day we will be picked up at the outside door to our classroom. You will be able to join your adult as soon as you can see them.

Our topic when we come back to school is:

Amazing Africa!

I can't wait for September! We are going to have a fabulous time learning together in Year 2!

I hope you have a super summer break!

From Mr Nicholson
