

A book about moving to Year 5, Seacole class

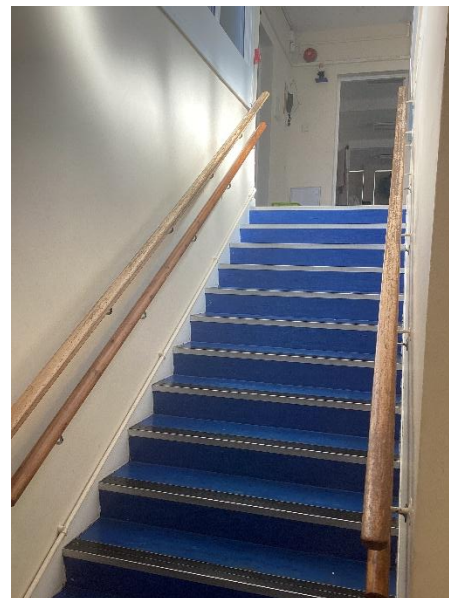

**Your new teacher will be Miss Steele with
support from Mrs Edmonds and Mrs Woolven.**

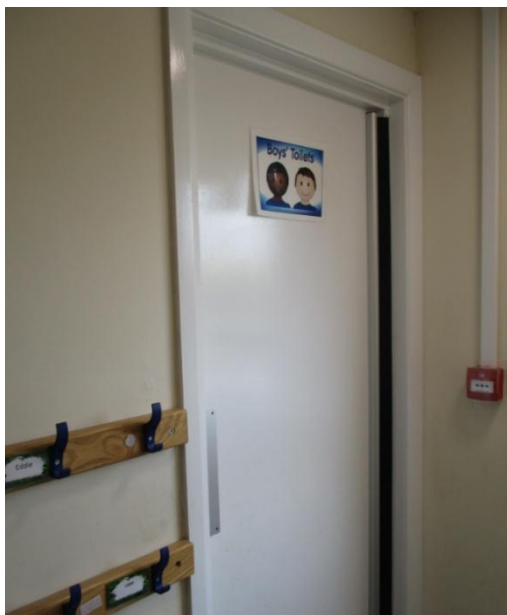

In the mornings, you will come in through the car park and enter through the doors you currently do now. From then, you will come straight into school walking past the KS1 hall and the toilets.

You will then put your things on your peg and quietly climb these stairs to come up to Seacole class

Your classroom will look like this.

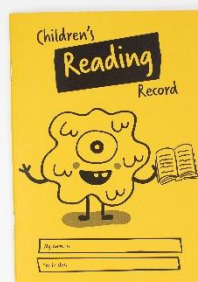

If you need the toilet, you will use these ones which are next to your pegs.

At break and lunch, you will be led out to these playgrounds and fields.

**At the end of the day, you will exit through these doors
(next to the KS2 hall)**

Every day, you will need to bring: a water bottle, a bag, a reading record, a reading book.... and a smile.
