Who we share this information with

We routinely share this information with:

- our local authority
- the Department for Education (DfE)

Why we share school workforce information

We do not share information about workforce members with anyone without consent unless the law and our policies allow us to do so.

Local authority

We are required to share information about our workforce members with our local authority (LA) under section 5 of the Education (Supply of Information about the School Workforce) (England) Regulations 2007 and amendments.

Department for Education (DfE)

We share personal data with the Department for Education (DfE) on a statutory basis. This data sharing underpins workforce policy monitoring, evaluation, and links to school funding / expenditure and the assessment educational attainment.

We are required to share information about our school employees with our local authority (LA) and the Department for Education (DfE) under section 5 of the Education (Supply of Information about the School Workforce) (England) Regulations 2007 and amendments.

Data collection requirements

The DfE collects and processes personal data relating to those employed by schools (including Multi Academy Trusts) and local authorities that work in state funded schools (including all maintained schools, all academies and free schools and all special schools including Pupil Referral Units and Alternative Provision). All state funded schools are required to make a census submission because it is a statutory return under sections 113 and 114 of the Education Act 2005

To find out more about the data collection requirements placed on us by the Department for Education including the data that we share with them, go to

<https://www.gov.uk/education/data-collection-and-censuses-for-schools>.

The department may share information about school employees with third parties who promote the education or well-being of children or the effective deployment of school staff in England by:

- conducting research or analysis
- producing statistics
- providing information, advice or guidance

The department has robust processes in place to ensure that the confidentiality of personal data is maintained and there are stringent controls in place regarding access to it and its use. Decisions on whether DfE releases personal data to third parties are subject to a strict approval process and based on a detailed assessment of:

- who is requesting the data
- the purpose for which it is required
- the level and sensitivity of data requested; and
- the arrangements in place to securely store and handle the data

To be granted access to school workforce information, organisations must comply with its strict terms and conditions covering the confidentiality and handling of the data, security arrangements and retention and use of the data.

ParentPay

We use the online payment system, ParentPay to provide, modern services for parents. It reduces bureaucracy and streamlines cash handling processes within our school. ParentPay

Ltd is a limited company and is registered with the Information Commissioner in terms of the requirements of the GDPR to hold and process personal information.

Using your personal information

The school is a “controller” of the personal information and when you children join us, we ask for the following information: parent/carer contact details (name, address, phone, email); the child’s name, date of birth, gender and address and free meal entitlement.

Why do we need this information?

The school holds the information described above on a secure database (“SIMS”). This information will be shared with ParentPay to allow parents to make online payments for their child’s school. The ParentPay system also provides income management for schools, dinner money administration and an integrated parent communication system.

ParentPay will hold your information and your child’s information on a secure database within the UK and will use your information and your child’s information in connection with the provision of online payments for schools and for no other purpose.

ParentPay will hold your information while your child attends our school and at the end of that period the school will ask ParentPay either to return your information to the Council or securely destroy it.

You can ask for your data to be updated or removed from ParentPay by notifying the school. If you wish your data to be removed from ParentPay, we would tell them to stop using this information, and you would no longer be able to make online payments for your child.

The school and ParentPay have entered into a Data Processing Agreement which sets out the duties of each party to comply with the requirements of the GDPR.

SchoolPing

As a school, it is part of our statutory duty to provide and communicate information about their child’s education to parents. To this end, we share primary contact information with DB Primary’s SchoolPing (<https://www.schoolping.co.uk>). This allows us to quickly and cost-effectively contact parent/carers via text and/or Email.

Requesting access to your personal data

Under data protection legislation, you have the right to request access to information about you that we hold. To make a request for your personal information, contact Steven Chennells (stevechennells@kipling.brighton-hove.sch.uk)

You also have the right to:

- object to processing of personal data that is likely to cause, or is causing, damage or distress
- prevent processing for the purpose of direct marketing
- object to decisions being taken by automated means

- in certain circumstances, have inaccurate personal data rectified, blocked, erased or destroyed; and
- claim compensation for damages caused by a breach of the Data Protection regulations

If you have a concern about the way we are collecting or using your personal data, we ask that you raise your concern with us in the first instance. Alternatively, you can contact the Information Commissioner's Office at <https://ico.org.uk/concerns/>
