Model Scheme for the Delegation

of Governing Bodies Financial Powers and Duties to Others

Introduction

The governing bodies of schools and colleges with full delegated powers under the local management scheme are responsible for ensuring that the Brighton & Hove Financial Regulations (Handbook reference: A3) and the Standing Orders relating to contracts are adhered to. In practice many of the governing bodies' responsibilities will need to be delegated to a committee of the governing body and/or to the Headteacher/Principal. To ensure that sound financial control is maintained it is essential that the extent of delegation is clearly specified in writing.

The attached scheme of delegation is suggested as a model for governing bodies to adapt to their own particular circumstances. The scheme adopted by a governing body should cover all the areas in the model although the degree of delegation can be varied to meet individual requirements. In some cases it may be appropriate to place financial limits on certain delegations and reserve decisions on the more significant items for the governing body.

Schools should "personalise" their scheme by incorporating their school name in the title page to their documentation. Reference should also be made to the date the scheme is/was approved by the governing body. Schemes also need to be specific when attaching responsibilities to particular posts (eg finance secretary, secretary etc) schemes should not simply refer to a "member of the clerical staff"

The **Education (School Government) (England) (Amendment) Regulations 2000** require that the meeting of the governing body deciding upon a scheme of delegation must have a quorum of 50% of the total number of governors entitled to vote (excluding vacancies).

It should be noted that the scheme of delegation complements the Council's Financial Regulations and Standing Orders and should be operated in conjunction with those documents.

SCHEME FOR THE DELEGATION OF GOVERNING BODIES FINANCIAL POWERS AND DUTIES TO OTHERS

A. POWERS AND DUTIES RESERVED FOR THE FULL GOVERNING BODY

It should be noted that the Scheme of Delegation complements the Council's Financial Regulations and Standing Orders relating to contracts and should be operated in conjunction with these documents.

The Scheme of Delegation should be reviewed and approved on an annual basis. The approval and presentation should be formally minuted and the documents attached to the minutes.

C. FINANCIAL POWERS AND DUTIES DELEGATED TO THE HEADTEACHER.

Delegation of Headteachers Responsibilities

The Education (School Government) Regulations 1989 permit a governing body of a school or college to delegate some of its financial responsibilities to the Headteacher in recognition of the practicalities of running a school/college. The Deputy Headteacher is authorised to act under this scheme in absence of the Headteacher

The model scheme of delegation is intended for all schools and will therefore need to be adapted to suit individual schools/colleges. In particular, schools with a small number of staff may feel it inappropriate to delegate some of the responsibilities beyond the Headteacher.
