

Welcome to Reception at Rudyard Kipling Primary School 2023

Our Reception classrooms are named after two famous, inspirational people:

‘Rashford’ and ‘Thunberg’

Both classes share our wonderful learning environment together and you will meet lots of new friends.

In the mornings, this is where you will come in to school. You will say goodbye to your grown up here and walk in to the Reception classrooms.

There is a cloakroom area, just between the classrooms for Rashford class. You will find your name on a peg and hang up your coat.

Thunberg class have their pegs in the classroom.

When you are at school you can use the toilet whenever you need to!

We have our own toilets just outside the classrooms

We have regular carpet times where we learn all sorts of fun things and we can practise our new skills in the learning environment. There will be lots of things to do!

Each classroom has a cosy book corner where we can share stories and enjoy finding new books.

There is a construction area for building and model making and a role play area that we change to help us imagine all kinds of fun places.

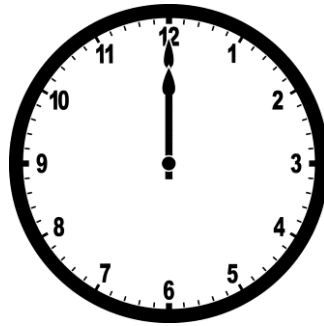

We are very lucky to have lots of outside space to learn and explore.

The forest school even has a wild area that we can visit!

Lunch is at 12 o'clock – we will have lunch together in the dining hall and you can choose to bring a packed lunch from home, have a hot school dinner or a school packed lunch.

After lunch we go out to play in the playground!

Here is what a school jumper and book bag look like:

This is Mrs Coulter and Mrs Goozee, the Reception teachers:

We are so excited to meet you and get started on our learning journey together!
