

This week we are investigating suffixes. A suffix is a group of letters which is added to the end of a word to change its meaning, e.g. happiness or soften.

Task 1: Using the internet or books find the meaning of each of these suffixes and write it below:

1. '-ly' \_\_\_\_\_

2. '-ship' \_\_\_\_\_

3. '-able' \_\_\_\_\_

4. '-ment' \_\_\_\_\_

5. '-less' \_\_\_\_\_

Then find five words (where possible) ending with that suffix and list them in the table below.

<b>-ly</b>	<b>-ship</b>	<b>-able</b>	<b>-ment</b>	<b>-less</b>
