SCHOOL TRIP

# Homework

Homework is still applicable, the expectation is for children to practice:

- **Reading** - Reading diaries need to be filled out for children to progress on the blast off scale and to be entered into the raffle.
- **Spellings** - Children are to practice common exception and spelling words.
- **Times tables** - Each child has a **TimesTableRockstars** account and login.
- There is a times tables test for year 4 children, so it is vital they are practicing. (Times tables underpin so much of learning in Maths, so please do encourage children to become fluent).
- **Take home tasks**

## **Uniform**

- Staff will be checking uniform regularly, please ensure your child has the correct school uniform daily.

## **PE**

- Please ensure your child has their PE kit in school. PE days are: Mandela Class - Monday - swimming / Friday - In school PE

## **Toys**

- Please discourage your child from bringing in toys. Children who require fiddle toys for reasons discussed with school is different.
