## Take-Home tasks for Autumn

Please complete two of the tasks by the end of our topic. Of course, you are very welcome to complete more than two of the tasks if you wish!

<p style="text-align: center;"><b><u>Cave Art</u></b></p> <p>Make up your own story, it can be about anything you like but tell it through cave art pictures!</p> 	<p style="text-align: center;"><b><u>'How to survive the Stone Age'</u></b></p> <p>Create a leaflet for 'How to survive the Stone Age.' Imagine you are transported back to the Stone Age and need a guide to help you survive. What would the guide say? What tips would it have?</p>	<p style="text-align: center;"><b><u>Cave homes</u></b></p> <p>During the Stone Age, people lived in caves. If you had to live in a cave what would you like it to look like and what would be in it? Be as creative and imaginative as you like! Maybe you could build your own 3D cave to bring in!</p>	<p style="text-align: center;"><b><u>Time travellers</u></b></p> <p>Imagine that you have been whisked back in time to Pre-historic Britain. You have been allowed to take one person or one object from 2019. What or who would you take and how would you explain your choice?</p>
<p style="text-align: center;"><b><u>A typical day in the Stone Age</u></b></p> <p>Create a comic strip to show a typical day in the Stone Age. Think what a caveman/woman might do —hunting, making weapons/tools.</p>	<p style="text-align: center;"><b><u>Tools</u></b></p> <p>What tools were used in the Stone Age, Bronze Age and Iron Ages? Research and make your own tools like those that were used in Prehistoric Britain.</p> 	<p style="text-align: center;"><b><u>Stone age recipe</u></b></p> <p>Stone age people could not pop to the shops for food. Everything they ate had to be caught or collected. Write your own recipe for a stone age dinner using the sort of ingredients that would be available to them.</p>	<p style="text-align: center;"><b><u>The Big Project</u></b></p> <p>Research an aspect of pre-historic Britain; the Stone Age, Bronze Age or Iron Age and use what you find out to create a full project. You can present this in any way you wish. This can count as a whole term's homework so really work your hardest and become your class expert.</p>
<p style="text-align: center;"><b><u>Prehistoric Animals</u></b></p> <p>What animals could be seen in the Stone Age? Research them and create a fact file/poster/drawings of each. How many can you find?</p>	<p style="text-align: center;"><b><u>Stonehenge</u></b></p> <p>Design and make an ancient stone circle or a replica of Stonehenge. Be creative in the way you make your stone circle.</p> 	<p style="text-align: center;"><b><u>Create your own Stone Age take home task</u></b></p> <p>If you have an exciting idea that is not on this sheet, feel free to come up with your own Stone Age take home task. We would love to see it!</p>	<p style="text-align: center;"><b><u>Clothing</u></b></p> <p>Invent an outfit for a Stone Age person. Think about the materials that were available to them at the time.</p>
