

How to support your child at home

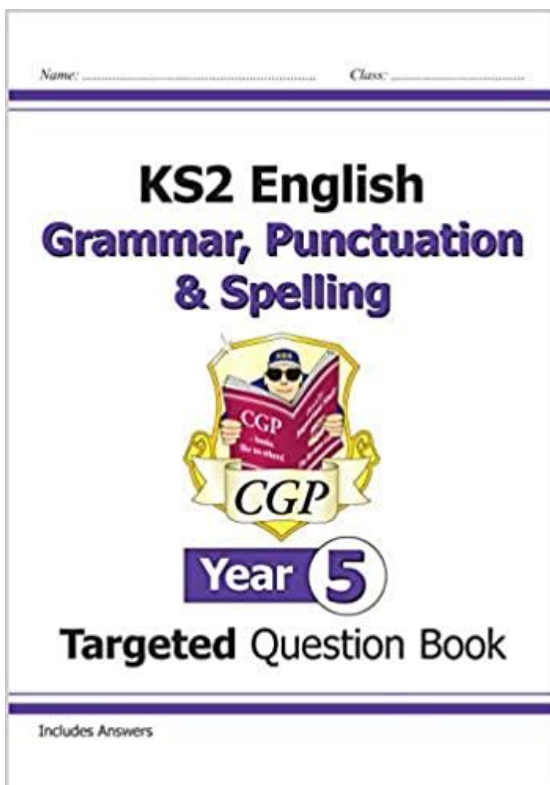

Upper Key Stage 2 can be challenging however, you can help your child with their learning journey and get them ready for the transition to secondary education. These are a few books recommended by the year 5 team to try at home. Little but often is the key 😊

CGP – Maths

This book is packed with test-style practice questions for Year 5 Maths pupils (ages 9-10) - and it's fully up-to-date for the new curriculum for 2014 and beyond. There's a section of questions for each topic, with space on each page to write the answers and any working out, plus mark-scheme boxes in the margin so that you can keep track of their progress (complete answers are included at the back for easy marking). The book also contains two Objectives Tests - one at the start of the book that recaps the Year 4 skills, and one at the end that covers a mixture of topics from Year 5.

CGP – Maths

Bursting with enough practice to last the whole of Year 5, this colourful CGP book is a must-have for KS2 Maths! Every topic contains a range of questions divided into sets based on their difficulty, so it's easy to choose work for pupils of all ability levels. Context-based challenge pages feature throughout the book to give pupils a look at Maths from a different angle, and we've even included handy recap pages to help pupils retain what they've learnt! You can download free printable materials to match this book from the CGP website.

Answers and helpful resources for teachers are available in a separate book

Recommended Reading

Ever wonder what books your child should be reading? Look no further! Providing your child with an interesting book to capture their imagination and challenge them should remain a priority. Learning to read is about listening and understanding as well as working out what's printed on the page. Through hearing stories, children are exposed to a wide range of words. This helps them build their own vocabulary and improve their understanding when they listen, which is vital as they start to read.

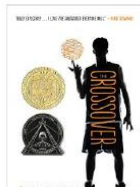

Is your child a reluctant reader? Try reading the first few chapters together or taking it in turns to bring the story alive. Get stuck into a book together and show them why reading can bring so much joy and happiness.
