Headteacher Reports...

Here at RKPS, Learning is an Adventure!

This is no truer than down at our own bespoke Forest School where our children have been experiencing the special sights, sounds and smells of Autumn. I joined a group of KS1 children who were learning all about shape by carefully entwining sticks together with string to form different polygons. We are fortunate to have two Forest School trained teachers on our staff: Miss Guthrie and Miss Lee-Bull, both with a shared passion for outdoor learning.

In my opinion, a Forest School comes alive in the colder months when children can wrap up warm in their winter coats and enjoy learning outside in nature. Here at RKPS, we are ever so fortunate to have such extensive outside space with two huge sports fields for the children to enjoy.

Talking of sport, on Wednesday of this week, a plethora of our promising athletes competed at Waterhall in a cross country tourney. Yesterday on the gate, it was terrific to hear such tales of courage and stamina! Sport provides so many benefits with sporting and academic achievement often going hand in hand. Also in the sporting pipeline for this year are Deans schools' events encompassing netball, athletics, tag rugby, tennis, volleyball and cricket. We look forward to those.

There is an established football culture within our school community with our close ties to our friends at Woodingdean Wanderers. Looking ahead, I look forward to seeing our young sportswomen and men competing in other sports too. A strong sporting culture is building at RKPS and this is in no small part thanks to Mr Wynne, Mr Mack and Mr Jones, thanks to all three.

This week saw the start of three new free clubs for our children to enjoy: singing, aerobics and Lego. Some beautiful sounds were drifting through the school yesterday afternoon! Our Wednesday after school Lego club was a rip-roaring success with 'builds' a plenty, some of which are on display in my room. The first Multi-Skills club started last Monday after school which looked like a ton of fun!

We are entering the 'season to be jolly' and Christmas production rehearsals on our professional stage are in full effect. There is no better time of year to be in a dynamic primary school and nursery such as ours so let's all enjoy it!

Have a wonderful weekend

Brighton & Hove Schools Cross Country Championships

On Wednesday, Mr Mack and Mr Wynne (along with a team of very enthusiastic and vocal parents and carers) took a group of Year 5 & 6 children to take part in the annual Brighton & Hove Schools Cross Country Championships at Waterhall Playing Fields. It was a glorious, sunny afternoon and, with over 1000 runners representing 42 schools across Brighton & Hove, the atmosphere was electric!

Our team did the school and themselves proud, with superb, gutsy performances all round. First up was the Year 5 boys race, with Will, Rocky and Freddie running for Rudyard. Lining up alongside hundreds of others, there were plenty of nerves, but the three boys did brilliantly, Will and Rocky finishing in the top 100.

Next, it was the turn of Talia, Mia and Scarlett, our Year 5 girls. Against some tough competition, the girls showed great poise and persistence, Mia finishing just outside the top 50 and Talia with an outstanding run to come in 25th out of 250 runners – what an achievement!

Our Year 6 boys and girls were not to be outdone, though. Ernie, Sonny, Oscar, Ewan and Thomas ran their socks off, with Sonny and Oscar both coming in the top 100 in their age group. To round off proceedings, Ava, Eliza S, Isla and Darcie were all stars, fighting to the very end to secure Rudyard three more top 100 finishes.

It was a joy for Mr Mack, Mr Wynne and the children's parents/carers to witness the effort and resilience of our team of runners being rewarded with so many successes. But it was Darcie who best summed up the feeling of the day when, hurtling round the final bend, she shouted "I'm having so much fun!" We all did, Darcie!

Parent Governor Results

Many thanks to all parents who stood for election.

The voting was very close but the two parent governors elected were Katharine Wickenden and Craig Munro: Congratulations to both!

Equalities

In History we have been learning about Nelson Mandela and how he helped to fight for equality in South Africa.

In Year 2 we've learnt:

As Nelson Mandela was growing up, he noticed that Black people were not treated equally. He believed that everybody should be treated the same and so he started taking action. Unfortunately, Nelson Mandela was unfairly put in a prison called Robben Island for the actions he took. After being in prison for 27 years, Nelson Mandela was let out and started seeking change in a peaceful way. This involved anti-Apartheid protests. At the age of 77, Nelson Mandela then became South Africa's first Black president and was finally able to put an end to Apartheid!

This week we wrote a diary entry pretending to be Nelson Mandela whilst he was imprisoned at Robben Island.

The School Nurse will be in school on the morning of **Wednesday 8th December** and will be holding a 'School Nurse Clinic'. Please call the Inclusion Team/School Office to book an appointment.

School Nursing Service is a confidential Service that offers support and advice around any health issues your child may have. This may include advice around keeping healthy, sleep, continence, fussy eating, growth, behaviour and emotional

health.

Special Mentions

Kahlo – Roxy has been such a 'Have a Go Harold'. She tries so hard with her learning, even when it is a bit tricky! As well as this, Roxy is a kind and gentle member of the class. We love having Roxy in Kahlo class!

Obama – Euan has been a 'Positive Polly' this week, and every week! Euan is a great role model to all at RKPS. He is sharing more and more in whole class discussions and always has great ideas. Well done, Euan. You are a super star!

Attenborough – Theo has been such a Positive Polly this week! During anti-bullying week, he has been excellent at giving examples of how to be kind and empathising with others, thinking about how they feel. He really has embodied our school values of Kindness and Respect. Not only that but he has been doing **AMAZING** joined handwriting. Keep it up, Theo!

Parks – Carter you've been blowing me away with your kindness this week! Co-operating Clara would be so proud of you and how amazing you are with your talk partner. You've been a great role model to other children on how to show kindness, which is one of our school values! It is a pleasure to have you in the class Carter!

Gandhi – Henry has been inspirational in his learning this week! The ideas and answers that he has given in class have been thoughtful and shown what fantastic listening he has been doing. He is giving 100% to his learning and he is smashing Year 3!

Mandela – Liam has been a real Have-A-Go-Harold his week, especially in his writing! On Thursday, we created poems that summed up the atmosphere and mood of a particular scene from our text, Varjak Paw. Not only was Liam able create such a dark and tense poem, but he really thought carefully about his vocab choices and neat handwriting! Well done.

Seacole - Isla is an absolute superstar. So much so, she has ended up with her second special mention this year already. She puts her all into her work from problem solving in Maths to writing a great description in English. She should be very proud with the work she is producing. Keep it up Isla!

Turing - Riley is truly the gift that keeps on giving. His passion and enthusiasm for learning is extraordinary and he is well on his way to taking Mr Jones' job as a teacher after his superb explanation on how to convert improper fractions to mixed numbers to the whole class. Watch this space Riley Williams is a teacher in the making!

Yousafzai - Huey is an incredible member of Yousafzai class; he works incredibly hard in all subjects. He is a creative member of our class. Throughout anti-bullying week he has been demonstrating great understanding of what kindness means, even creating his own song. His English poem this week was exceptional with an engaging performance to boot!
