## where learning is an adventure!

Friday 9<sup>th</sup> January 2024

Issue 25-26 16

### Headteacher Reports:

It's great having the children back after the Christmas break, all ready for an exciting new term's learning.

Forest School has fast become a favourite subject of many of our children and, when you visit the setting, it's easy to see why. Last Sunday, the latest addition was added: an octagonal wooden shelter, beautifully constructed by Woody's Dad. Thanks also to Cara and Lenny's Dad and Issac's Dad too for their hard work last weekend. This is another PTFA funded project.

Mr Wescott has sourced an authentic giant army parachute which can be hoisted up or lowered according to the weather, currently it is acting as a barrier from the rain which continues to fall.

Our new giant 'Spider's Web' is almost complete, our Year 6 children are in the process of putting the final touches to it and practising their knot tying skills in doing so. Our children can't wait to climb on it. There is also a high ropes course in the offing: our Forest School is ever evolving!

Huge thanks go to the parent and carer volunteers who help out at Forest School, the ones I chat to really enjoy it. If you would like to join the fun, please let the office know.

This morning, I popped into the Year 1 classrooms and was surprised to find myself transported back hundreds to years to a time of knights and castles! When I went into the Year 2 classrooms, I found myself back in 1666-very strange indeed! Up in Year 4, our historians were making Mayan chocolate drinks-I've reserved one-lots of exciting learning happening across the school.

Our Spring Term 'Classroom Connect' sessions are coming up in the next couple of weeks. These are an opportunity for you to find out about your child's new topics, routines and how you can support your child with their learning at home-we hope to see you there.

Have a wonderful weekend
