Headteacher Reports:

STAY SOCIAL

@RudyardSchool

@Rudyardkiplingprimary

As an inclusive school, we want as many of our clubs as possible to be free and therefore accessible for all children.

This week, Mrs Newbold started a new after school free club: 'Zentangle'. This mindfulness approach teaches children how to use art techniques as a way of focussing. After school on Wednesday, Miss Sandat launched her new after school Cheerleading club which is proving to be extremely popular. These two new clubs add to our ever growing portfolio of clubs at RKPS. The full list is posted on Instagram so take a look and see what your child might be interested in joining.

Our children really are fortunate to have so many teachers and learning support assistants who are willing to give up their own time to provide these extra special club opportunities.

Next Wednesday afternoon, Mrs Brewer is leading a parents phonics workshop which we are sure you will find helpful in supporting your child's learning at home; it would be lovely to see you there.

There have been many fun experiences for our children this week which have included one Year 3 class visiting Roedean for a problem solving task and Roedean students visiting our other Year 3 class to teach them British Sign Language. Year 5 are having guitar lessons as I write-they are sounding good!

As a community school, our priority is to create a safe and secure environment for everyone. A key part of this revolves around safe parking. Thank you to the vast majority of adults who always park legally and safely. Thank you to those who live locally to the school and choose to walk to school, leaving the car at home.

Have a wonderful weekend

# Special Mentions

## Saad

Wow Saad! What amazing progress you have made in your short time with us at Rudyard. Your readiness and eagerness for learning have been amazing to see – you are becoming a true readiness role model! Your determination and hard work have not gone unnoticed – we are so proud of you and everything you have achieved and we are so lucky to have you in Kahlo class! Keeping shining bright, you are a super star!

Y1

## Emelyn

Emelyn has an incredible talent for reading and writing, the kind that makes you do a double-take and wonder if she's been peeking at much older books. She plays with words confidently and expresses ideas with ease, but what really stands out is how reflective she is—she doesn't just read or write, she *thinks* about it. It's that mix of strong skills and genuine thoughtfulness that makes her such a joy to learn with. We're very proud of you Emelyn!

## Rosa

Rosa is her name, and Readiness is her game! Rosa, I am so proud of your learning behaviours and organisation. Whatever the task in hand, your table is neat and tidy, ready for anything. You are always ready with a smile, energy and a positive attitude, as you demonstrated with your brilliant acting and enthusiasm in Peter Pan. You are our very own Tinkerbell, sprinkling magic as you motivate others around you to be ready, too. Keeeeeeeep sparkling!

Y2

## Greta

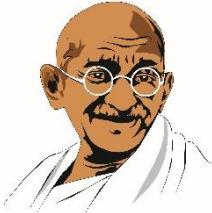

Greta has been a real superstar this week. She's shown brilliant resourcefulness by supporting her learning partner with kindness, patience and confidence - what a joy to have two teachers in the classroom! Greta notices when others need help and takes action straight away, helping everyone feel ready to learn. A wonderful role model who shows that learning grows stronger when we work together. A true star – well done Greta!

## Iris

I have been wowed away by Iris this week! She has shown amazing resilience with her learning. When dealing with multi -step multiplication problems, she has persevered and tried her best. On top of this, she is such a kind and thoughtful member of Gandhi class, always helping others and showing respect. I can't wait to see how Iris will continue to flourish in Year 3 and beyond. Well done!

Y3

## Brody

Y3

Brody has shown great resilience with his work, even when he finds it challenging. Brody listens carefully to feedback and makes thoughtful improvements to his writing, using more interesting vocabulary and improving his sentence structure. He takes pride in his work and does not give up, which is helping him to become a more confident writer. Great work Brody!

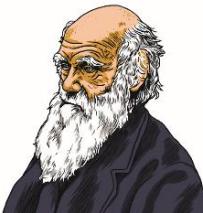

## Amina

Y4

This wonderful young girl is an absolute breath of fresh air. She displays the 5 R's throughout each school day but recently, her remembering skills have shone through. She has worked tirelessly on her times tables and as a result, she has rapid recall of them. Not only this, but she has even asked to take times tables sheets home, proving her willingness to learn outside the classroom and her desire to improve. Mr Wynne simply loves teaching her – keep being you, Amina!

## Daniel

Y5

## Mariatou

Mariatou is truly a shining example of kindness and thoughtfulness. She comes to school every day with a positive attitude, ready to take on any challenge with a smile. Always curious and eager to learn, she inspires everyone around her. Her caring nature and willingness to help make her a joy to be around, and her dedication sets a great example for her classmates.

## Mia

Y6

Mia's marvellous manners and magnificent mindset make her wonderfully helpful every day. She is a brilliant, thoughtful talk partner, always contributing meaningful ideas, and I absolutely love her writing. Her kindness consistently shines through in everything she does, making her a much-valued member of our classroom.

YR Thunberg	Rosie Riley	Impressive independent writing Excellent ideas in English
Y1 Kahlo	George Hannah Bodhi	For writing a super sentence For writing a super book For being a writing wizard!
Y2 Attenborough	Bobbi	Super 'Lonely Beast' writing
Y3 Pankhurst	Khaliyl Brody	Impressive writing based on 'The Frozen Pugs of the North' For consistently demonstrating the school values, including Respect.
Y6 Yousafzai	Fox Archie Carter Ariah	For an excellent evacuee poem Super maths progress Pleasing science work on nutrients First class work in science and maths

## NEW: Weekly Maths Challenge

The Maths team are excited to start adding maths challenges to our newsletter. As times tables are a key focus this year, we'll begin with a missing-number multiplication grid. One challenge will be included each week, and children can complete it independently, with family, or share their answers with myself or Miss Wiseman. We hope you enjoy giving them a go!

## Rudyard Reading Recommendations

Hello all, every week the English Team and various adults around school share two reading recommendations for you and your lovely children to read.

### **Reading Research Alert:**

*“There is a growing body of evidence which illustrates the importance of reading for pleasure for both educational purposes as well as personal development.” Clark and Rumbold, 2006.*

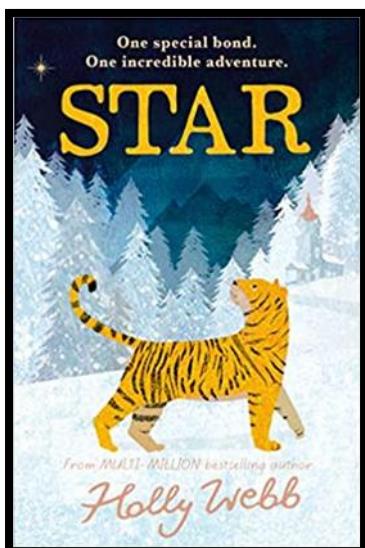

### **The Pirate Mums By Jodie Lancet-Grant Illustrated by Lydia Corry**

Billy's family is a little bit different. His mums like to dress up as pirates, sing sea shanties and rather than a cat or dog, they have a parrot for a pet! Billy wishes his family were more like everyone else's; he wishes they were more ordinary. So when his Mummy and Mama are invited to help on his school trip to the seaside, at first he is mortified! However, when the weather starts to change on board the ship and Billy's pirate mums save the day, he couldn't be more proud of his family.

This is a fun and adventurous story which celebrates diversity in family units. We love how it ends with, 'Who cares about ordinary!?' and that the main character goes from feeling embarrassed to super proud of his two pirate mums.

### **Star by Holly Webb**

When Anna borrows a tiny wooden tiger from her Russian grandmother's mantelpiece, little does she realize that it is the start of a magical adventure...

Waking the next day, Anna finds herself in a snowy Russian village, where she hears the news that a tiger cub has been spotted in the nearby woods. Anna knows this is why she must be here - the cub needs her help! But is Anna brave enough to set out in search of a tiger in the forest at night?

## School Notices

### Wescott Thursdays

The next Wescott Thursday (22<sup>nd</sup> January) will be **Year Y4**.

### Forest School with Mr Wescott

Tuesday 20<sup>th</sup> January – Year 5 Yousafzai AM

Tuesday 20<sup>th</sup> January – Year 2 Pankhurst PM

Wednesday 21<sup>st</sup> January – Year 4 Parks AM

Wednesday 21<sup>st</sup> January – Year 4 Obama PM

Thursday 22<sup>nd</sup> January - Year 4 Mandela AM

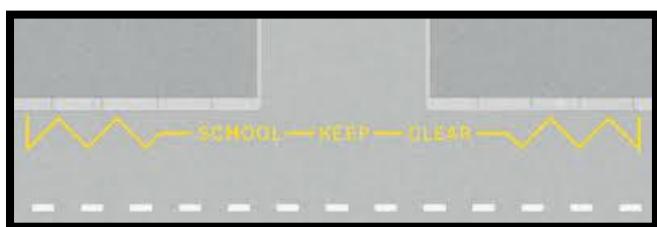

### Parking and dropping off

To help keep all our children, families and staff safe, we kindly remind parents that parking on the yellow zig-zag lines outside school is not permitted at any time. These markings must be kept clear to ensure visibility for pedestrians and to allow safe crossing for children.

Additionally, the staff car park cannot be used by parents, as it is small, busy during peak times and shared with our Nursery for drop offs and pick ups. A few families with Blue Badges have an arrangement with the school to use the car park. By avoiding these restricted zones, you help us maintain a safe and smooth arrival and departure for everyone. Thank you for your continued cooperation and support.

If you see any antisocial parking or hazardous stopping, please report this with photo evidence to 'Operation Crackdown' via this link: <https://operationcrackdown.org/>

### Donations of clothing for KS1

We are running low on KS1 leggings and joggers. If you have any spare, we kindly welcome donations.
